

Celebrating our Wave 6 Schools

Coming together to celebrate the remarkable learning journeys of our Wave 6 schools at Jerry Clay English Hub was a truly special occasion.

We are incredibly proud of everything you have achieved and deeply grateful for the partnership we have built together.

Your trust in our team, combined with your unwavering commitment to ensuring every child becomes a confident reader, has driven these outstanding outcomes.

Our graduation celebration was a wonderful opportunity to recognise both the individual successes of each school and the collective impact we have achieved together.

Thank you to everyone who thoughtfully prepared and shared your learning journeys - they were inspiring examples of dedication, collaboration and sustained improvement.

We hope you enjoy looking back on this wonderful collection of photographs, capturing not only a celebration of success but also the relationships, determination and shared ambition that have made this journey so memorable.

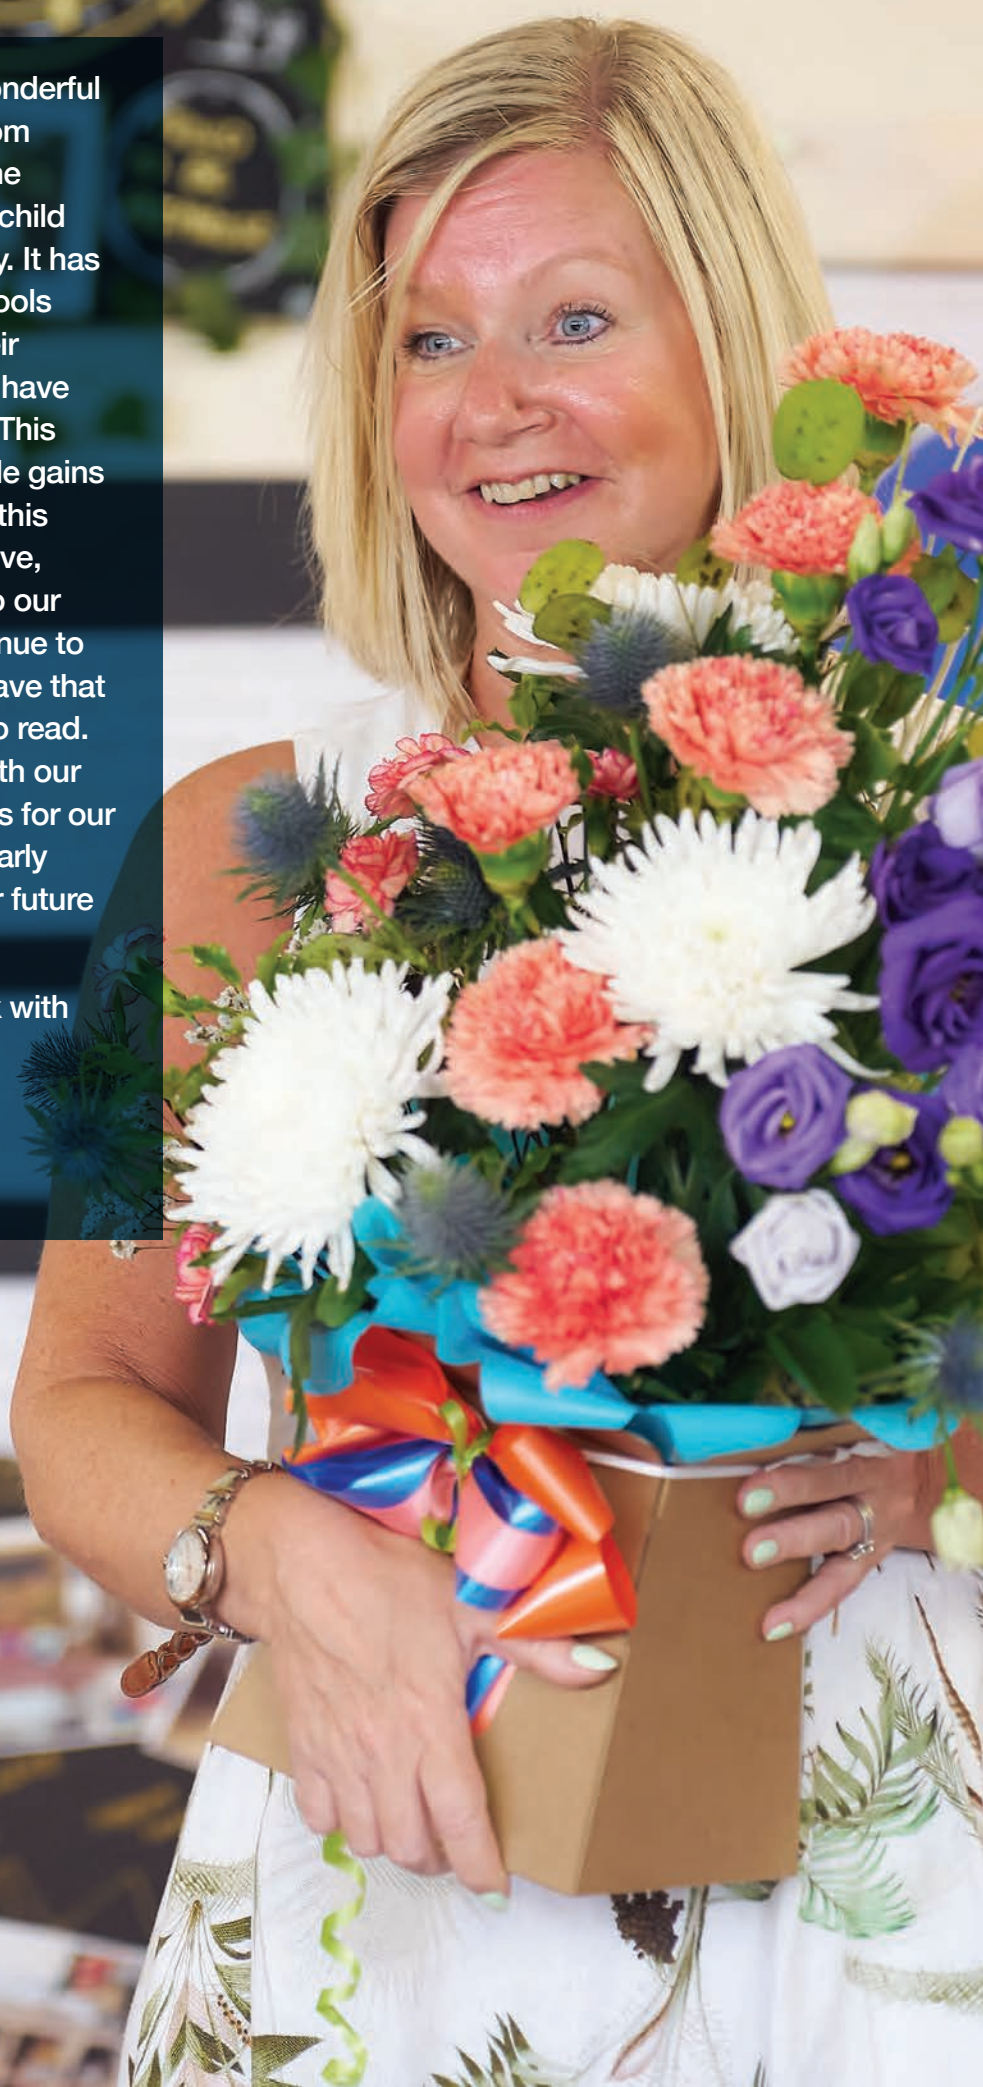

Mrs. Tracy Swinburne OBE

What a year to remember! Our wonderful partner schools continue to go from strength to strength and have done whatever it takes to ensure every child gets through that reading gateway. It has been delightful to watch how schools have made key adaptations in their teaching to ensure their first 20% have the very best chance of success. This year we have seen some incredible gains from schools' starting points and this reflects the absolute relentless drive, determination and commitment to our partnership programme; we continue to be in awe of the belief that they have that every child CAN and WILL learn to read. We are proud that we continue with our mission to change the life chances for our children through unlocking their early reading journey to set them up for future success.

You have been a pleasure to work with over the two years. Bring on the graduation year.
